## **New Fingerprinting Requirements**

All new Certified Process Server applicants and those Certified Process Servers renewing under the JBCC are required to obtain electronic fingerprinting through the Texas Department of Public Safety, Fingerprint Applicant Services of Texas (FAST) Program, as of September 1, 2014.

- The cost for this fingerprinting service is located on the FAST Pass.
- View instructions for submitting fingerprints to FAST and the Process Server fingerprint application for In-State and Out-of-State applicants (located on the <u>Forms</u> page of our website).
- IMPORTANT: When making your appointment, you MUST use the FAST Pass provided on our website, which has our unique ORI number.
   Use of any other FAST Pass will result in rejection of your application and you must be re-fingerprinted, and repay the fees, using the proper forms.
